## President's Message

WOW – Spring Fling was a great success – preliminary figures netting close to \$5000. There are a few items that didn't sell that we'll have at the meeting on Thursday for those that may have not made it to the event we'll give you an opportunity to purchase if you like. We also have a few items that didn't get picked up that I'll be trying to make contact for Mike so we could have a few more dollars to come in. Mike Speer did a great job coordinating this event so please let him know how much he is appreciated. He left for his trip Monday, May 2 but you can flood his email box for his return.

As you know, the money from this event sends our campers to Camp Sertoma. Eric Martin is coordinating our campers and we are sending 6 this year which will take about \$3000 of what we raised for this worthwhile sponsorship. We don't have our week assigned yet, but be receptive when Eric asks you to help take or pick up campers. It will change your life to see what this camp does for the kids.

Looks like we'll have some funds left that we can do some other worthwhile sponsorship's in our community.

Now on to the next event – Jack has announced the date for Sportsarama, which is August 13. Please mark that date on your calendars. He also passed out ad sale forms at the last meeting so we need to start selling ads for the program. The program sales are our money maker for this event and help fund our other sponsorships in the community.

The 3rd annual "Camp Sertoma Golf Tournament" is Monday, June 6, at Woodside Plantation in Aiken. Please see Steve, Jack, or Steven Langer about this tournament if you're interested in playing. I think we have at least one team planning to play. They also need volunteers to help work if you're interested in donating your time that day.

Remember the online voting for candidate officers May 19 – 24. Steve has a notice (see below) regarding this and instructions.

The Regional Convention is in Williamsburg, October 13 – 16, 2011. Early bird registration has been extended to June 17, 2011 @ \$145.00 and then the rate goes up to \$170.00. Since the convention is not until October, any help with convention expenses from the club would come out of the 2011-2012 budget which hasn't been established yet so if you are interested in going you will need to cover your registration fee up front and if there is aid from the club, you'll get reimbursed. I have registration forms.

Hope to see you at Thursday's meeting – yours in SERvice TO MANKind

*Linda Etheredge*

This is the Member Login screen, to login you need a user ID and Password. If you know your username and password enter them and hit the "Login" button. If you do not have a User ID and Password you will need to create a new one by clicking on the "New User Registration" link.

*Note: your login credentials are linked to your record in our database and are specific to you. It is the information in your record that determines what privileges you are given on the website. So please refrain from creating a new username, unless you have never logged in to the Sertoma website. Attempting to create multiple usernames can cause the loss of login information, website history, and website permissions. It can take up to two business days for all rights and permissions to be restored to an individual from the time they create a new login. It is our goal to provide you with the best web experience possible so please feel free to contact headquarters if you are uncertain about what your User ID is or if you have created one in the past.*

### Sertoma Special Election

Because we will not have an annual national Sertoma convention this year, we will be holding a special online election to elect 2 officers – Junior VP and Director-at-Large – who will take office on 7/1/11. You must be registered with Sertoma and have an active username and password for the "Members Only" section of the [www.Sertoma.org](http://www.Sertoma.org) website to be able to cast your vote in this election. If you don't have a username and password for the Sertoma website, please review the attached instructions. The online voting will take place May 19 – 24, 2011. You can view a webinar of the candidates on the Sertoma website. Contact Steve Etheredge at [steven@mailbox.sc.edu](mailto:steven@mailbox.sc.edu) if you have questions about the process.
